## PRINCIPAL'S MESSAGE

### Welcome to BPSC Pre-University College

I am delighted that you are reading this brochure it means that you are considering sending your son / daughter to our college. Choosing the right college for children is a very important & often difficult decision to make. However, we hope that this brochure will help you to make that decision. Through the pages of booklet we give only a brief insight into the quality of education your children will experience.

We are proud of our reputation for academic excellence. Our public examination results are among the best in the city in terms of high percentage of distinctions & grades scored in the core subjects. Our aim is for students to realize their full academic potential & to develop intellectual curiosity. But we value equally the nurturing of leisure, sporting & cultural interests.

Our pursuit of excellence is combined with care for individual. All students are valued & supported. We are a friendly, happy college with high expectations & there are excellent relationships & strong mutual trust & respect between staff & pupils. I look forward to meeting you personally in the college.

# THE ARCHITECTS OF YOUR AMBITION

Our faculties comprise seasoned educators and industry veterans who transform complex theories into clear, career-defining insights through decades of combined teaching expertise.
